

IN THE SENATE OF THE UNITED STATES.

FEBRUARY 20, 1860.—Ordered to be printed.

Mr. THOMSON submitted the following

R E P O R T .

*The Committee on Pensions, to whom was referred the petition of Hugh Wiley, praying to be allowed a pension, beg leave to report :*

That the petitioner states he was called into service in August, 1814, and discharged the month following; that while in service and in the line of his duty, he was thrown from his horse and “struck the hard road with the small of his back, and since that time, by spells, has suffered very much;” that he is now in the seventy-fifth year of his age, unable to do much work, and therefore prays assistance.

He has furnished no evidence of his service, or that he was disabled therein, or that he is now disabled. All that is furnished is his own statement.

Your committee, therefore, recommend that the prayer of the petitioner be denied.
